- 25X1 1. The Perleberg (M 52/T 70) airfield was observed on 16 August 1950 between 10 a.m. and 6 p.m. No aircraft or air force personnel were seen at the field. The former aircraft revetments were empty and the hangars closed. * The installations at the field were guarded by 40 soldiers who wore red-bordered black epaulets and were quartered in a stone building southeast of the hangars. In the center of the field was a guard tent from which the guards started their patrols.
- 25X1 2. [] the field has not been occupied by Soviet Air Force troops since about 1 February 1950. *
3. Motor vehicle traffic to the field was not observed.
- 25X1 4. [] Comment. The occupation of the field has not changed when compared with the observations of July 1950. [] There are no indications of intended reoccupation by an air unit.
